CNY PGA TOURNAMENTS RULES AND REGULATIONS

The Central New York PGA Tournament Committee has the responsibility of proposing rules and regulations governing all competition in the Section tournament programs. Such rules and regulations must be approved and adopted by the Executive Committee. A PGA representative or Section staff should be assigned to represent the Section at sanctioned events. The PGA representative's duties shall be to work in conjunction with the host professional and to assure adherence to tournament rules and regulations.

TOURNAMENT CLASSIFICATION

1. SECTION EVENT -- An event that is controlled by the Section and Section rules and regulations are adhered to. All Section events are sanctioned events.
2. SANCTIONED EVENT -- An event held within the Section. The Board has approved the format and/or has contributed to its organization. Any Section member may participate in these events (see "conflicting event" rule). Section members are reminded to observe standard conduct and etiquette guidelines. Requests to have a tournament sanctioned must be submitted to the tournament committee at least 45 days prior to the event. A reply will be given within 10 days of request. No event will be sanctioned if it conflicts with another Section event and would detract from the success of that event.
3. OTHER EVENTS -- This is an event the Section has no control over.

All PGA participants will be required to present a neat appearance, appropriate to a professional golf tournament in both clothing and grooming.

PACE OF PLAY

The Rules of Golf require that a player shall at all times play without undue delay. The administration of pace of play will be handled by the Section staff of the Central New York PGA.

Professional Single Events

First 3some must finish in accordance with the host facilities pace of play policy.

If a pace of play policy is not in place the first 3some must finish in 3 hours 54 min (13 min/hole)

(A) at any time during the round, they exceed the allotted time to play and

Suspension of play will be designated by one long blast for a dangerous situation or three short blasts for course unplayable or darkness. Resumption of play will be designated by two long blasts. (Note: Players should be aware of their right to stop play at any time if they think lightning threatens them, even though no signal for discontinuance has been given or heard.)

SINGLE ROUND EVENTS

If 75%, or more, of the field has completed play and it will be unfeasible for the others to do so on that day, the tournament purse shall be reconfigured on the basis of the number completing play. Those participants unable to complete play shall be deemed non-competitors and will be refunded their entry fee (minus administrative and lunch fees, if applicable).

If more than 50%, but less than 75% of the field has completed play, tournament cancellation will be at the discretion of the Tournament Committee. In the event that less than 50% of the field has completed play, the event will be postponed and rescheduled. In a one-day event, if the full field is unable to complete play, then no player-of-the-year points will be awarded.

MULTI-ROUND, SINGLE DAY EVENTS

If upon completion of the first round it is impossible to complete the second round, the event shall be reduced to 18 holes. If it is impossible to complete the first round, the round shall be cancelled, and the Committee shall work with the host professional to reschedule the event. Any reduction in the number of rounds of a championship will not affect the point values assigned to that event by the Committee.

MULTI ROUND / MULTI-DAY EVENTS

A total of 50% of the field must complete the round for it to be suspended. If less than 50% of the field can complete the round, it shall be cancelled. Upon suspensions, the Committee will determine, depending on conditions, whether it can complete the suspended round. If the event still has a scheduled round to be played, the committee shall determine if there would be ample time to complete the suspended round and then play the subsequent round. If this is not possible, the suspended round will be cancelled.

WEATHER CANCELLATION

In case of bad weather, the CNY PGA staff will contact the host club and ask what the official in charge has decided and inquire if an alternate site or format is being used.

INCOMPLETE PRO-AM TEAM

A professional is expected to arrive at the pro-am with the number of amateurs they committed to bring. If they bring fewer than committed and fail to notify the host professional at least two hours prior to their scheduled tee time, they shall be fined \$25.

The host professional should attempt to obtain substitution amateur/amateurs from their club to complete the team. Should the host professional be unable to do so, a designated amateur's name shall be drawn to complete the team. Their score shall be counted on both teams and if both finish in the money, they will receive the higher award.

Should a professional fail to appear, the amateurs assigned to the team may play to and use the scores of a drawn professional to assist in their team score. The drawn professional has the option to accept the higher award if both teams finish in the money. The other prize shall be assigned to the Section Education Fund.

A player late for their starting time is subject to disqualification (Rule 5) or modification (Rule 5-3/a) as determined by the Tournament Committee. The Committee reserves the right, with respect to team events that include amateurs, to make accommodations for late arriving teams. (This does not include teams arriving in time to play but simply not arriving at the tee as prescribed by the Committee).

SCORECARD REQUIREMENTS

Scorecards shall be marked correctly in a neat and legible manner and must be returned to the Scorer's table immediately upon completion of play.

The hole-by-hole score must be entered on the card at the completion of each hole. It shall show the professional's score and, in quota competition, it must show the gross score of the amateur, along with the quota points earned for each hole. The gross score must be shown for tournament purposes -- the edited score for scoring average only. In the event an "X" is recorded for any hole, the Tournament Committee will assign a double bogey to that hole.

Cards shall be signed by the professional, who is the official scorer, and attested by one amateur member.

Every competitor must return their own scorecard, or in team competition, their team scorecard. Failure to return a scorecard to the scorer will result in a no-card being recorded. It is not sufficient to merely tell someone at the table your score. If you tee off, you must turn in a card. Withdrawals must be noted on card. Any withdrawals (WD) or No-Cards (NC) will not be eligible for skins in the individual professional contest. Before play begins, the professional must examine the official scorecard and determine if the handicaps and allotted quotas of each member of their team is correct. If the card is unmarked, it is the responsibility of the professional to insert the handicap and circle the holes on which members receive handicap strokes. If the card is marked improperly, the professional must make the corrections and advise the scorer, preferably before beginning play. Should a scorecard violation be discovered after the results have been announced, the policy of the U.S.G.A. and the PGA Tour will be followed.

AMATEUR HANDICAP REQUIREMENT

Each professional in the Section will be held responsible for the accuracy of the handicaps of their amateurs.

PRIZE DISTRIBUTION

The Section office will pay out all professional checks at the earliest possible opportunity. The Tournament Committee reserves the right, under extenuating circumstances, to amend or waive any provisions set forth herein.

HOW TO DETERMINE THE PURSE

Professional

The regular professional individual purse is determined by multiplying the entry fee by the total number of players. Sponsor dollars are then added and tournament fees are deducted.

Sponsor money raised by the Section will be added to the professional individual purse. Additional sponsorship money that is obtained by the club may be added to any purse, as directed by the Host Professional.

Pro-Am bring 1

The total purse is determined by adding the professional entry fees to the amateur entry fees. From this total, sponsor dollars are added and tournament expenses are deducted. The resulting total is then split in half to reach the two purses.

Pro-Am bring 3

The team purse for Pro-Am Series (bring 3) is half of the total entry dollars raised minus applicable tournament expenses. The team purse will be split evenly amongst the team members with the professional receiving his/her share in the form of a check from the Section office, and amateurs receiving their portions in gift certificates.

Each Pro-Am Tournament will have a separate senior individual professional division.

ADDITIONAL PAYOFF REGULATIONS

The payoff shall follow the percentage scale included herewith. Professional shares will be paid in the amounts determined by the mathematical scale. For simplification in determining team shares, including professionals and merchandise certificates for amateurs, the payoff may be slightly altered to result in rounded dollar figures, making sure the total amount issued matches the total amount provided for. Players can win multiple ways in Pro-Am Series (bring 3) events, including team portion. ALL TIES WILL BE SPLIT EVENLY -- NO CARD MATCHING -- NO PLAYOFFS IN PRO-AMS AND PRO-PROS, unless otherwise specified.

ADDITIONAL REGULATIONS

Any CNY PGA members and apprentice who is in good standing may compete in the following events: PRO-LADIES, PRO-JUNIORS, PRO-TEAM. Players in these events must come from your club or related association.

MITCHELL CUP TEAM

The Mitchell Cup Team will consist of the 12 players who have accumulated the most points through the "Player-of-the-Year" tournaments. The Section Champion is automatically a member of the team. All players who thus qualify are expected but not required to participate in the event.

POLICY THROUGH THE YEARS

The CNY PGA member who accumulates the most Player-of-the-Year points will be honored as the CNY PGA Player-of-the-Year. The senior professional earning the most points will be honored as the CNY PGA Senior Player of the Year. The assistant who accumulates the most points will be honored as the CNY PGA Assistant Player-of-the-Year.

ADDITIONAL MISCELLANEAOUS POLICIES:

Section Championship and Senior Championship: In the event of a tie for either championship, there will be a hole-by-hole play-off.

Player-of-the-Year points will determine alternates for the invitational tournaments. Only PGA members may represent the Section in these events.

If a Professional begins the year employed at a Section club and loses their job thereafter, they shall be considered employed to meet eligibility requirements unless their classification changes to one that is ineligible. (This applies to "A" classes only.)

SPIKELESS POLICY

It is a requirement of the Central New York PGA that all individuals participating in any CNY PGA sanctioned, sponsored or co-sponsored event wear spikeless/non-metal golf shoes.
